MY NEW LOVE

29.01.2026 - 11.02.2026

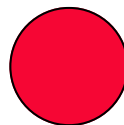

FRANK WALDER

SPRING SUMMER 2026

With the colour theme "MY NEW LOVE," **FRANK** WALDER kicks off the Spring/Summer 2026 season with vibrant energy and emotional appeal. The harmonious palette of Cranberry, Cream, Ecu, and deep Ink blends powerful presence with feminine lightness – perfect for style-conscious women who value quality, comfort, and contemporary chic.

- Denim in Ink provides a casually elegant foundation – as a modern flared-leg trouser or a short blazer with buttons and pockets. Soft to the touch, with added stretch for comfort.
- Cranberry adds fashionable accents – for example, as a textured bouclé blazer with a single-button closure or a clean jersey top with a minimalist look.
- Prints skillfully reflect the colour world – whether graphic, floral on an Ecu base, or as nautical stripes with typographic elements: they add variety and inspire mix-and-match creativity.
- Statement blazer with a floral-abstract print – pleated texture meets graphic florals, ideal for fashion-forward, confident looks.

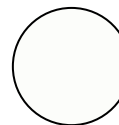

"MY NEW LOVE" stands for feminine confidence with a modern twist: textured blazers, flowing prints, and relaxed tops create versatile looks for everyday wear, the office, and leisure. Soft tailoring, drawstring details, tie accents, and refined touches like gold buttons and piping stylishly complete the theme.

COFFEE LOUNGE

12.02.2026 - 20.02.2026

FRANK WALDER

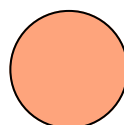

SPRING SUMMER 2026

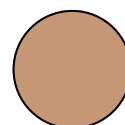

With "COFFEE LOUNGE" **FRANK WALDER** introduces a warm, relaxed colour palette for the new season. The combination of Peach, Cream, and the new shade Affogato — a refined, caramel brown — creates a harmonious balance of natural lightness and fashionable depth.

- Affogato impresses as an elegant all-rounder: in jackets, trousers, or fine knitwear, this tone appears high-quality, grounded and utterly contemporary.
- Crochet adds artisanal-inspired accents — as a crochet jacket or sweater in Cream, it makes a strong statement.
- Peach brings fresh energy — whether as a casual plain colour or as a print accent in floral or graphic patterns.
- Flowing layering pieces — such as tops or the pleated skirt in Cream — complement the theme with softness and femininity.

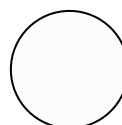

"COFFEE LOUNGE" stands for modern ease and feminine clarity. The new colour scheme exudes quality and calm, while being versatile and on-trend. Affogato makes a genuine style statement — natural, versatile, and fresh
