Liebe Kundin,

Lieber Kunde,

die neue Herbst Winter 24 Kollektion zeigt eine harmonische Mischung aus Eleganz und laessiger Sportivitaet. Die MANISA Styles sind selbstverstaendlich und doch detailverliebt.

Funktionalitaet spielt auch in dieser Saison eine grosse Rolle.

Neben edlen Naturtoenen bis hin zu dunklen monochromen Looks praesentiert die Kollektion auch leuchtende Farben wie rot, aprikot, gelb, blau und zyklam.

Lassen Sie sich von unseren neuen Modetrends inspirieren!rfinden.

Dear Clients,

The new Autumn Winter 24 collection shows a harmonious mix of elegance and casual sportiness. The MANISA styles are natural and have a love for details. Functionality also plays a big role this season. In addition to elegant natural tones and monochrome looks, the collection also presents bright colors such as red, apricot, yellow, blue and cyclam. Be inspired by our new fashion trends!
